IN THE MATTER OF RESOURCE
PLANNING AND PROCUREMENT.

Docket No. E-00000V-13-0070

**APPLICATION OF GILA RIVER
POWER, LP FOR LEAVE TO
INTERVENE**

Pursuant to the Rules of Practice and Procedure of the Arizona Corporation Commission ("Commission"), Gila River Power, LP ("GRP"), by and through its attorneys undersigned, hereby files this Application for Leave to Intervene in the above-captioned docket. In support thereof, GRP states as follows:

1. GRP is a merchant generator selling electricity in wholesale markets located in Arizona and other portions of the Southwest. GRP owns and operates approximately 1000 MWs of natural gas generation near Gila Bend, Arizona, is a member of several transmission planning organizations, and has actively participated in integrated resource planning workshops and other like forums that address issues concerning generation resources in Arizona and the Southwest region.

2. Intervention by GRP will not unduly broaden the issues or delay the proceeding. As a merchant generator that sells wholesale electricity, GRP will be directly affected by long-term resource plans, and therefore has a substantial interest in the outcome of this proceeding.

3. GRP requests that all pleadings, correspondence, discovery, and other documents be served on the following:

1 Patrick Black, Esq.
